# The Fifty-ninth Annual Report

of the Committee of Management to the

*Annual Meeting of the Governors and Subscribers, to be held at the TOWN HALL, Richmond, on Saturday, 19th March, 1927, at 4 p.m.*

1. **Report and Accounts.**—The Committee of Management have the honour to present to the Governors and Donors their Report for the year ending December 31st, 1926, and regret that the year has resulted in a further deficit of £118 7s. 7d., so that the total deficit at the date of the closing of the books was £3,862 17s. 6d. This increase was foreshadowed in the last Report, but it is hoped that the deficit will be only temporary, and that the efforts of friends of the Hospital will result in the amount being wiped off by the end of the year 1927.

The following tables give a resumé of the Income and Expenditure for the past four years :—

The Committee deeply regret the severe illness of their President, Sir John Archer, K.B.E., and desire to express the pleasure that his recovery, though slow, is making progress. They hope to have the full benefit of his assistance during the coming year.

2. **Almoner.**—The experiment of inaugurating an Almoner's Department has been very successful. The social work and after-care of patients is making this department a very busy one; 172 patients have been visited and assisted in various ways, with the co-operation and help of outside workers and societies. Every case recommended by the Medical Staff for Convalescence, Surgical Appliance, or any form of Special Treatment is assisted. The result is shown by the increased welfare of these patients, and this work alone has more than proved the value of the department.

3. **Hospital Extension.**—The outstanding event of the year has been the opening of the extension of 16 beds on Saturday, March 27th, by Viscountess Cave, who was accompanied by the Lord Chancellor. The ceremony was memorable, inasmuch as it is the first extension that has taken place since 1904, and thanks are due to all those who

helped in the ceremony, the music provided by Mr. J. Hullah Brown being a conspicuous feature. The Building Fund is now closed, the total amount received since it was started in November, 1923, being £9,541 7s. 1d. Grateful thanks are also due to all those donors who so generously contributed towards the cost of the extensions.

4. **Medical Council.**—During the year Dr. J. Williamson, who has been on the Staff since 1890, has retired, and his place was taken, as Chairman, by Dr. Charles S. Blair, who has been engaged in the service of the Hospital for 17 years. Other changes are the retiral of Mr. Alan Todd from the Out-patient Department, his place being taken by Mr. Gabriel; and the place of Dr. Matthews, who filled Dr. Williamson's place on the In-patient Staff, has been taken by Dr. Slot. Towards the end of the year Dr. Duncan retired, and the filling of the vacancy is under consideration by the Medical Council. The grateful thanks of the Committee are due to Doctors Williamson and Duncan for their untiring services to the Hospital for 36 and 10 years respectively.

5. **Committee Changes.**—During the year Dr. H. F. Chapman, who has been connected with the Hospital since 1882, resigned, owing to his retirement to the country, and his place has been taken by Mr. H. A. Pike, J.P.

6. **Vice-Presidents.**—The list of Vice-Presidents has been increased during the year by the addition of the Mayor of Richmond for the time being, also Lieut.-Colonel William Merrick and Mr. Percy Umney, M.A.

7. **Endowment of Beds and Cots.**—The Committee have had under consideration an increase in the cost of endowment, and have approved the following figures:—£1,000 instead of 700 guineas for the endowment of beds; £600 instead of 500 guineas for the endowment of cots; £50 instead of 35 guineas for the annual endowment of a bed;

and £30 instead of 20 guineas for the annual endowment of a cot. The endowment of beds and cots during the lifetime only of the benefactor has been discontinued.

8. **Royal Hospital Association.**—The efforts of this Association under Councillor Arthur Howitt have been continued during the year with advantage to the Hospital. It is hoped that during 1927 still greater efforts may be made for further financial benefit.

9. **Co-ordination of Local Hospitals.**—During the year the Committee have made efforts to bring about co-ordination and co-operation between St. John's Hospital, Twickenham, and the Teddington District Cottage Hospital, with the Royal Hospital, but the Committees of those two Hospitals felt that the time was not yet ripe to bring about such co-ordination.

10. **Expenditure.**—The Committee make periodical efforts to bring down the cost of the services of the Hospital, but during this last year their efforts have been frustrated very largely by the Coal Strike. As an instance, the extra cost of fuel alone has been nearly £250.

11. **Ladies' Associations.**—The Committee has had under consideration during the past year the formation of Ladies' Associations in the various areas served by the Hospital. Little success has met their efforts thus far, but it is hoped that ladies in districts like Staines, Feltham, Ashford, Teddington, the Hamptons, and Twickenham, will voluntarily come forward to form small local Associations or Committees, in order to awaken interest in the work of the Hospital, which is regularly receiving patients from these districts.

12. **Pound Day.**—A slight variation was made in the arrangements for the Pound Day during the past year, and although the actual results are smaller in value, the real

results in weight were greater, 2,266lbs. being collected against 2,053lbs. in 1925.

13. **Medical Department.**—A Gynæcological Department has been set up under the supervision of Mr. J. W. Heekes. It is hoped in the near future to develop the Massage Department, and the Committee also hope to inaugurate a Sunlight Ray Department for the particular benefit of the children of the districts served by the Hospital.

14. **V.A.D.**—By arrangement with the Authorities of the V.A.D., their services will in future be available for work in the Hospital which is not directly connected with the immediate nursing of the patients. The Committee desire to express their thanks to the Authorities of the V.A.D. for their assistance in this direction.

15. **Ladies' Linen League.**—As a complete Report of this excellent and valuable League is separately issued, reference need only be made to it for details of activities most skilfully managed, for which its Hon. Secretary (Mrs. William Sandover) and Members are warmly thanked. During the year over 609 articles have been made by the League, and nearly 1,000 articles have been repaired by the Working Party under Miss Rydon, to whom and her voluntary assistants the Committee again offer grateful thanks.

16. **Training Department.**—Over 100 Lectures have been given during 1926 to Probationers, as follows:—Dr. T. A. Matthews on "Medical Nursing"; Mr. J. W. Heekes on "Anatomy, Physiology, Surgery, and Gynæcology"; Dr. C. S. Brebner on "Hygiene"; the Matron (Miss Watt) on "Theory and Practice of Nursing"; the Assistant Matron (Sister Walden) on "Sick Cookery." A classroom, furnished in accordance with the requirements of the General Nursing Council for the practical instruction of Probationers, was opened in March, 1926.

The Nursing Staff has been increased by two trained Staff Nurses and six Probationers.

17. **General Thanks.**—The Committee render their expression of gratitude to the Hon. Surgical and Medical Staff; to the Masseuse (Miss Wolfgang); to the Matron and her Nursing Staff; to the Vicar and Clergy and Ministers of all Denominations; and to all those who have contributed all kinds of gifts, donations, and services at Christmas and throughout the year. May we venture to hope that many more of those who reside in the Thames Valley area who are in sympathy with our work will remember the Hospital in their wills and in the years to come add to the list of names of those whom we hold in pious memory.

## LADY ALMONER'S REPORT, 1926.

---

During the year 955 In-patients and 4,203 Out-patients have passed through the Almoner's Department.

The sum of £2,477 6s. 5d. has been contributed towards the cost of their treatment, which the Hospital has received from the following sources: Approved Societies, £496 17s. 8d.; Public Authorities (Boards of Guardians, County Councils, Home Office, &c.), £100 8s. 6d.; In-patients, £1,610 19s. 6d.; Out-patients, £269 0s. 9d.

In addition, 172 Patients have been assisted in various ways, 57 being sent to Convalescent or Special Homes and Sanatoria. 106 Patients have been helped to obtain Surgical Appliances, and in other cases, maintenance, extra nourishment, and fares have been given. Special treatment, which is at present unobtainable in the Hospital, has been arranged for patients at the Radium Institute, Sunlight Clinics, and at other Hospitals. 135 reports were sent in answer to outside enquiries from Societies interested in individual patients; and this, with the Home Visiting required for the After Care of the patients, has necessitated a large amount of correspondence.

We have been enabled to carry out this work only with the help and co-operation of the various Local Charities and Societies; and our dependence on outside sources for the welfare of our Patients must be strongly emphasised.

The Hospital has neither the organisation nor the funds to enable it to be a distributing centre of charity other than that which is Medical. The Almoner's Department forms the needed link in recommending patients, who (owing to poverty and unfavourable home circumstances) urgently require help, to Societies which have the necessary organisation, and will undertake to help.

At the same time, the Department is in urgent need of a fund from which to draw for the emergency requirements of the patients. Sometimes the patient is acutely ill in the Ward, and some surgical requisite must be supplied before there is time to refer the matter to any other source. Frequently, it is a want which is trivial but immediate, as in the case of a patient who has not the fare to return home.

We are most anxious to obtain some financial assistance which will ensure a regular income, even though small, towards the purposes outlined in this Report. *Any Subscriptions will be gratefully appreciated*, and will be used to the best advantage for the most necessitous among the patients.

The following is a list of the Institutions which have given their valuable help and co-operation during the year, and to which our sincere thanks are due:—Central Aid Societies, Philanthropic Society, St. John's Church, St. Mary's Church, St. Luke's Relief Committee, St. Elizabeth's Church, the Ladies' Committee of Watney's Brewery, Mr. Young's Red Cross Contingent of Helpers, United Services Fund, Soldiers' and Sailors' Help Society, District Nursing Associations, Ashford Relief Committee, Mortlake Relief Committee, Philanthropic Societies of Teddington, Twickenham, St. Margaret's, Isleworth, and Brentford; Artists' Benevolent Fund, Police Benevolent Fund, Invalid Children's Aid Society, Charity Organisation Society, Middlesex Association for the Blind, T.O.T. Benevolent Fund, Jewish Board of Guardians; from Medical Officers of Health, Boards of Guardians, and Education Committees.

G. JAMES, *Almoner*.
